Dear Vitaliy:

Enclosed is our check for _____ in payment for the performance in Portage on July 13 by Golden Gates and Moscow Nights.

Words cannot express our appreciation for the wonderful show that we were privileged to see. The young ladies are very talented, as are you and your partner and everyone was very appreciative that we brought your group to our city.

We are very much looking forward to the Moscow Nights show May 1, 2005. Thanks, again, for allowing us to experience Russian music, dance, costumes and culture.

Very truly yours,

Terry D. Hardin
