

**Regarding performance at Oswego High School by Moscow
Nights/Golden Gates
January 17, 2006**

Subject: Program

I wanted to let someone know what great performances Moscow Night and Golden Gates did for us. I was, as usual, a little worried about our audience reaction, but the kids and the staff REALLY enjoyed the performance and the learning associated with it. I highly recommend this program to any school.

Keep programs like this coming!
