Bay Village OH 44140

Dear Vitaliy:

The staff and congregation of Church of the Messiah United Methodist Church would like to thank the "Golden Gates" children's group and "Moscow Nights" from St. Petersburg, Russia for an outstanding concert presented in our sanctuary, January 25, 2004. There was a wonderful exchange of culture through the art of music and dance expressed through folk songs and games. The audience expressed their thanks for a great evening. The host families were impressed with your children as they shared their homes with new friends from St. Petersburg.

A snow storm closed schools the morning of January 26 which disappointed the students from Point View Elementary School as they had prepared to host the group in their class rooms. We were, however, able to visit the Center of Science and Industry (COSI) in downtown Columbus, Ohio. Again, we express thanks for your children's visit as they were wonderful representatives of their Academy for Cultural Arts of St. Petersburg. I am sure you are very proud of them.

Sincerely,

David Trout
Senior Minister

Lindsay Smith
Director of Music

Louanne White
Director of Handbell Ministry

Notary - State of Ohio
